**Consent to Treatment**

At Vital Source Natural Medicine we believe in treating people, not disease. Therefore, each individual patient will receive a treatment plan that is specifically developed for them. Treatments at Vital Source Natural Medicine include such therapeutic procedures as manual soft tissue work, Craniosacral and Core Synchronism therapy, nutritional consultation and supplementation, herbal therapy, homeopathy, hydrotherapy, and lifestyle counseling. Other forms of treatment include intramuscular vitamin injections and certain pharmaceuticals. It is understood that while our practices and procedures are safe and effective, not everyone responds the same way to different treatments, and occasionally side effects or complications may arise.

While the risk of complications or side effects from any of the above treatments is very rare, it is our policy to inform our patients about them. These complications may include, but are not limited to: soreness, bruising, inflammation, burns, infection, allergic reactions, and temporary worsening of symptoms. More serious complications are extremely rare. Additional information on side effects and complications of specific treatments is available upon request.

The way in which we choose to treat people will often be different than the conventional care of an MD. It is our policy to always present you with information about your condition, the procedure being performed, any risks, and alternative options available to you. If our explanation is not to your satisfaction, please ask for more information.

Please recognize that the care you receive at Vital Source Natural Medicine is voluntary. By signing this form, you are voluntarily consenting and authorizing our treatments and procedures. Please understand that you may refuse treatment and/or procedures at any time during your course of therapy and such requests will be respected.

**By signing below, I acknowledge that I have read and understand the above statements regarding treatments and side effects. I understand that during my course of treatment at Vital Source Natural Medicine, I will be given an opportunity to ask questions about my condition. I will also be given the opportunity to ask questions regarding the benefits, risks, and alternatives to treatments offered. I understand that no guarantee has been made as to the result of my care at Vital Source Natural Medicine.**

**I hereby consent to examination and treatment with naturopathic medicine and/or Craniosacral and Core Synchronism therapy by Dr. Jessica Van Dusen at Vital Source Natural Medicine, PLLC.**
